

## Open Hearts, Open Doors, Open Futures

Imagine the courage it takes to leave everything familiar behind — to arrive in Fargo-Moorhead with nothing but hope, ready to rebuild a life from scratch. This is the journey of the New American families we serve every single day. Community Connect Center is the vital lifeline that ensures these courageous newcomers don't walk that path alone. We provide the crucial, hands-on support they need to move from surviving to thriving. This **Giving Hearts Day**, you have the power to fuel this journey.
